

OpsPilot Ingestion Test Document

This is a deterministic test fixture used by the OpsPilot ingestion pipeline to verify that the markdown adapter can round-trip a non-trivial PDF into chunks searchable through **kb_search**. Keywords for retrieval tests: *OpsPilot, ingestion, fixture, markdown*.

Sample data table

Component	Stage	Status
redaction	PR-2	shipped
ollama_provider	PR-3	shipped
sqlite_store	PR-4	shipped
lance_store	PR-4	shipped
ingestion	PR-5	in progress

Sample code block

```
from opspilot.memory import kb_search, init_sqlite
conn = init_sqlite('/tmp/kb.db')
hits = kb_search('OpsPilot ingestion fixture', ...)
assert hits[0].chunk_id is not None
```
